Program Update

Thank you to everyone who responded to the poll regarding the switch to twice a month in-person classes. The Leadership Team of the parish took the results of the poll into consideration and decided that the RE classes will continue to meet once a month in-person and once a month virtually. Thank you for your input!

Welcome Back

Last Sunday, January 24th, the RE Program held its first in-person class of 2021. It was wonderful to see the students and catechists in their classrooms. Please continue to keep them in your prayers during this second half of the RE year.

Updated January 25, 2021

Saint Blaise is the patron saint of throats and wild animals. A little boy was choking on a fish bone. Saint Blaise prayed and the bone popped out of his throat! This is why he became the patron saint of throats. Saint Blaise went into the woods and saw a group of wild animals. He was brave enough to help them so he became the patron saint of wild animals.
