LIFE WITH CHRIST IS A WONDERFUL ADVENTURE!-POPE ST. JOHN PAUL II

May Crowning

Last weekend, St. Elizabeth of the Trinity held a modified May Crowning. Due to the Covid-19 restrictions, we were not able to hold it in the traditional manner with the children. However, we were still able to show our love for the Blessed Mother in a special way as we began the month of May.

The ritual of crowning Our Lady during the month of May is a tradition that spans many generations. In crowning the Blessed Mother, we recognize her as Queen of heaven and earth. Through her fiat, she willingly accepted God's will in her life and remained steadfast throughout the trials and tribulations of her Son's life. "She won the "crown of righteousness" (2 Tim 4:8), the "crown of life" (Jas 1:12; Rev 2:10), the "crown of glory" (1 Pet 5:4) that is promised to those who follow Christ ("Order of Crowning," NCCB, 1987)." *Adapted from the Walk to Mary website.*
