Holy Trinity Sunday

LIFE WITH CHRIST IS A WONDERFUL ADVENTURE!-POPE ST. JOHN PAUL II

Today we celebrate The Most Holy Trinity which we know about because God has revealed it to us. The Holy Trinity is a mystery, but not one that detectives use clues to solve. It is a mystery of our faith meaning that it is so amazing that we can't fit it all inside our heads. We can understand parts of it through Church teachings and prayer. Many different symbols are used to represent the Trinity: a triangle, shamrock, a Celtic knot. Look around our church. Can you find any symbols of the Holy Trinity in the artwork, stained glass or architecture of our church?
