Pray Fast Give

Oftentimes, people think of Lent as a time to give up chocolate, TV, candy, etc. and while fasting is one way to live out Lent, there are also two other important aspects to keep in mind.

Prayer is essential for our soul and Lent can be a time to form new prayer habits and spend more time with our Lord.

Fasting, purposely saying "No" to things, can be difficult, but it helps us to see that God is the only one who can truly fill us with happiness.

Almsgiving is the giving of something important to those in need. Most of us think this refers to just material items like food, clothing or money, but it also means giving to those who are in need spiritually by spending time with them either in person, over the phone or through the mail.
