## Food Pantry

As we take time to give thanks and look ahead to the greatest gift of the Baby Jesus, we would like to acknowledge the generosity of many people who support our Parish Food Pantry.

It was wonderful to meet some of our parishioners who stopped by Pack the Pantry in mid-November. Several of the Religious Education students volunteered bringing the donations from the parking lot to the pantry working area. It was a chilly day and we are grateful for everyone who came out that day!

Throughout the month of November, our School and Religious Education families brought in donations to create special packages that were distributed leading up to Thanksgiving Day consisting of mashed potatoes, stuffing, corn, cranberry sauce, gravy, and rolls. Each client was also given a turkey breast or ham made possible by the monetary donations made to the food pantry. Your support was invaluable.

We were also blessed with a large donation from Hitch Elementary School who hosted a food drive to benefit our Food Pantry. What a great example of community support.
