

## *Religious Education News – 1<sup>st</sup> Quarter 2023 Update*

A belated congratulations to our students who received their Confirmation last month. Thank you to those who have generously shared their time, talents, and faith in supporting their sacramental preparation, especially our catechists, Dave McNaughton, Ashley Guinn, and Anthony Garcia, and the volunteers, parents, and sponsors.

RE Students have been busy preparing for Easter and First Communion, by praying the Stations of the Cross, touring the church, attending teaching Masses, touring the sacristy with Fr. Mike, and re-enacting the Last Supper with Fr. Leo during their retreat. A special thank you to all of our volunteers and catechists who have joyfully shared their time and talents and love of the Eucharist with our First Communicants, especially Mary Ellen Gold, Gilda Rivero, Regina Besa, Ashley Guinn, and our seminarians, Matthew Cooke and Miles Swigert. And thank you to the RE students who wrote Easter cards to and are praying for the incarcerated in support of the Kolbe House Blessed and Broken Program,
