We are two months into the school year and fifth grade has been quite busy! We have been working in cooperative groups and have been utilizing the classroom cart of Chromebooks.

Students reflected early on in the year on what it means to “give one’s heart to Jesus” through various Scripture passages as well as musical selections. Students also participated in many activities for the annual observance of the International Day of Peace on September 21.

One task asked students to create a “peace pledge” they could adopt as they contemplated ways in which they can foster peace within their own community. Students also wrote letters to their very own guardian angels in honor of the feast day of Guardian Angels, which is October 2.

Thanks to the new religion series that is being implemented this year, the students used the letters of their names to describe ways in which they can help to build the Kingdom of God.

We also dressed up for “Tropical Day.” And with Halloween just around the corner, the students used their artistic skills to redecorate the classroom with some unique jack-o’-lanterns. We also decorated our classroom door for the St. Elizabeth of the Trinity Halloween door decorating contest.
