We officially ended the First Trimester of the school year November 7th! I could go on for pages and pages and tell you all we have accomplished, but Father Mike is only giving me one page, so I will have to summarize...with the help of the teachers. And even they had a hard time keeping it to a sentence or two!

Kindergarten has started to read simple sight words and in math they are working with numbers from 0 to 10. Students are learning to fill up their Kindness Bucket and make the Sign of the Cross.

First graders have learned how to use multiple, additional, and subtraction strategies to solve math problems. We continue to explore main ideas and key details in various genres of text.

Second graders have been growing as readers and writers through daily literacy activities and research projects that include learning about saints and animals and have been learning addition and subtraction and applying to word problems. They are also growing in faith, learning about God's love and forgiveness, as we prepare for First Reconciliation in a few months.

Third grade is excited to be learning about different states through our Flat Stanley Project. Each student sends Flat Stanley to someone in a different state, and he is sent back with a postcard that lists interesting facts about the state. We are plotting the states on a big USA map and practicing some geography skills.

Fourth grade celebrated All Saints Day by writing an essay about a saint, creating a poster, dressing up as their saint and presenting their saint to other classes, as well as Father Mike and Father Leo.

Fifth graders and their families are researching saints or blessed and publishing a "Saint or Blessed of the Month." All documents are collected and are available for reading just outside the fifth-grade classroom

Although we focus on reading and responding to the text in Literature, we are proud to say that all students wrote research reports and even more exciting, cursive handwriting is alive and well in grades six through eight ELA classes

In Junior High Science and Social Studies, Sixth graders are doing more hands-on activities in science while learning about plants and ecosystems, and Mesopotamia and Egypt in social studies. Seventh graders have strengthened their data analysis skills and have written two lab reports. Eighth graders passed their Illinois Constitution test and worked hard at work gathering data for their science fair projects.

Our 8th graders had a busy and productive trimester. In addition to learning all about algebra, they had their annual car wash fundraiser which allowed them to purchase class sweatshirts. Academically, 15 of our 18 eighth graders made the honor roll and now they are spending time after school preparing for the high school placement test in December.

Art took students on a journey with three and four-year-olds learning colors, kindergartners through third graders revisiting art concepts, and fourth and fifth graders developing art techniques. Our JH elective students designed and created the set for our Fall play. We had our first FALL play (since in the past it was in the Spring) of Willy Wonka, Jr, acted by students in third through eighth grade.

We attended Rosary or Adoration the first Friday of each month, and every Friday in October.

We had our first Family Math Night and are working on two services projects - one for the Garrido Pet Rescue Project and the parish Food Pantry. Stay tuned to see what we all accomplish in the Second trimester!

Dr. Kristine Hillmann

As we begin Advent we are called to “wait” in joyful anticipation for the grace of Christmas to once again bless our lives. Wherever you live in our parish, there are poor families within walking distance of your home. When in need, they ring the rectory bell. They are, in effect, ringing your doorbell.

Your gift in the St. Vincent de Paul poor box will help the poor celebrate the grace of God’s love this Christmas.

**Step-by-Step Walk Through the Mass
Do This in Remembrance of Me, Part 68,
Holy Communion
by FR. LUKE SPANNAGEL**

As we continue through the Communion Rite, the long-anticipated moment has arrived. Finally, it is time for **Holy Communion!** This is the moment we have been preparing for throughout the whole Mass. Whenever I think about the joy of Holy Communion, I remember very vividly the thrill of my First Communion. I think of the song we all learned and the wonderful party afterward. But I especially remember the moment of Communion. Although I was small at the time, in second grade, I remember feeling a special closeness to God that I never had felt before. I don't know if I grasped what Holy Communion meant on an intellectual or even theological level, but I certainly felt a true spiritual union with our Lord.

As Fr. Joseph McGloin teaches, “The word ‘communion’ is almost self-explanatory. Literally, it means ‘union with.’ It suggests a sharing, a mutual participation. Holy Communion, is, then, an intimate sharing in the life of Christ” (*How to Get More Out of the Mass*, p. 128). That is exactly what takes place in Holy Communion. We receive the Precious Body and Blood, Soul and Divinity of Christ into our bodies, and he unites us with himself. Unlike regular food which becomes part of our bodies, the Eucharist unites our bodies to the Lord. Fr. McGloin continues, “While the other sacraments bring us the grace of Christ, this one brings us the grace of Christ himself along with himself. Truly, a person with any faith in Christ would be foolish to neglect this great gift” (*How to Get More Out of the Mass*, p. 133).

Participating in Christ's Perfect Sacrifice

Did you notice he said sacrifice? Hopefully, this word reminds us of one of the names for the Mass—the Holy Sacrifice. As we have journeyed through the Mass, we have noted that the Mass is a true sharing in the Last Supper and in the Cross of Jesus. In the Mass, we are invited to participate in the one perfect sacrifice of Jesus. Fr. Guy Oury tells us how sacrifice and Holy Communion fit together in the Mass. He says, “The Mass is a sacrifice but also a repast, or rather, a sacrificial repast. It would not have meaning, at least not the meaning given it by the Lord, were it not also Communion.” He goes on to say, “The meal symbolizes the union between the God of the covenant and the people of God.”

This becomes clearer if we look at meals and feasts in Jewish history. According to Fr. Oury, “In the [Traditional Jewish] meal God is present as a tablemate, invisible to be sure but still present. He lives with human beings, shares their common interests, and welcomes them as intimates. People are the invited of God... At the time of Christ, the image of a feast was one of the most common to portray the kingdom that was to come. The Lord used it repeatedly in the parables. It stood for the kingdom of heaven both in the terrestrial form that is the Church and in the ultimate and definitive form that is paradise. The Eucharist itself was instituted in the context of a sacred meal, that of Passover” (*The Mass*, pp. 105–6).

The Greatest Celebration of All Time

See how Holy Communion is so much more than just a meal? True, it is a Sacred Meal, Holy Thursday, the Last Supper, where we are guests of the Lord, who gives of his very self for our nourishment. But, this meal is also the sacrifice of the Cross, where our sins are overcome and conquered once and for all. The meal is also an anticipation of the heavenly banquet, where we will celebrate with the Lord and the Communion of Saints forever. Finally, this special meal is also a means of unity among the faithful—the Body of Christ, the Church. With all this meaning, the Eucharist is the greatest celebration of all time. Not only are we present at this wonderful celebration, but many of us are also invited to receive the Lord in the Eucharist. In the weeks ahead, we will look more closely at receiving Communion properly, who can receive Communion, different forms of Holy Communion, and what to do when we aren't able to receive Our Lord.
