# FROM FR. DEO

January 25, 2026

Dear Sisters and Brothers,

God is good all the time... All the time God is good!

This weekend we begin Catholic Schools Week, a time to give thanks for the gift of Catholic education and for those who make it possible. This Sunday's readings beautifully reflect the Church's vision of education.

In the first reading, the prophet Isaiah describes a people who were walking in darkness but have now seen a great light. It is a message of hope and promise—reminding us that God's light continues to shine wherever hearts are open to Him.

In Matthew's Gospel, Jesus fulfills Isaiah's prophesy through His preaching and healing ministry. He proclaims that the Kingdom of God is at hand and invites those living in darkness to enter it through repentance and a renewed way of life.

Catholic schools share in this mission by forming young minds and hearts in the light of the Gospel. Students learn not only how to read and write, but also how to live, love, and choose what is right.

When I reflect on my own experience of Catholic education—from preschool in Rwanda to Loyola University—I do not think only about books, exams, homework, grades, or academic achievement. I think about people: teachers who did not only impart knowledge, but transmitted values, who taught us that success is not just about being smart, but about being kind, loving, and faithful. I think of priests and religious whose presence and example remind us that we are children of God, called to be the light and salt of the world.

Many of you identify by the school you attended and the parish you call home—places of belonging where faith was nurtured and lifelong friendships were formed. You certainly carry sweet memories as students or parents in Catholic schools. How has that experience shaped your life and faith, and how can you help carry that legacy forward by supporting our school today?

As a Catholic school, St Elizabeth of the Trinity strives to strengthen its Catholic identity by teaching Catholic values in every aspect of school life—through academics, athletics, and the many clubs, organizations, and activities in which our students participate. SEOTT central to our parish mission, drawing young families into our parish life. I gratefully acknowledge the dedication of our school parents and invite them to become more involved in parish life. I encourage everyone to continue supporting our school—both financially and through enrollment—for it is a vital way we give witness to Christ, pass on the faith, and sustain our parish.

In Parish news, I invite all parishioners to prayerfully reflect on our Parish Vision Statement and to discern how, guided by the Holy Spirit, we can live out this vision as a parish community.

Join us for the Candlemas on Monday, February 2<sup>nd</sup>, at 8:30 a.m. (English) and 7:00 p.m. (Spanish), celebrating the Feast of the Presentation of the Lord. Candles will be blessed as we honor Christ, the Light of the Nations.

Finally, we give thanks to God for our students, parents, teachers, and staff, and we pray that our Catholic school may continue to be a place where faith and learning grow together.

*St Elizabeth of the Trinity, Pray for us!*

In Christ,

Fr Deo

## Parishioners' Corner

At its regular monthly meetings, The Parish Pastoral Council (PPC) has been diligently working with Father Deo to craft vision statements for the three pillars that support the overarching Vision Statement for the parish. The goal of all of these statements is to provide inspiration for parish vitality.

Key concepts of the parish vision statement were developed in practical ways by our students who reflected on what St. Elizabeth of the Trinity School means to them. Their insights and perspectives are shared in the next few pages of this bulletin, as they prepare to observe Catholic Schools Week.

### ST. ELIZABETH OF THE TRINITY VISION STATEMENT

A few weeks ago we celebrated the Feast of the Epiphany also known as the Feast of the Three Kings or Magi. The star in the East guided these wise travelers on their journey to find the Christ Child. We, too, can benefit from guidance on our faith journey to discover, encounter, and grow closer to Jesus in our lives.

The St. Elizabeth of the Trinity Parish Family is adopting a new Parish Vision Statement. It intersects with the three pillars we have introduced - Community, Evangelization, and Worship - and their corresponding vision statements. We encourage you to pray and reflect on these, and to discern how our Parish Family can bring this vision to life.

# CSW BULLETIN

St. Elizabeth of the Trinity

January 2026

## Welcome to Catholic Schools Week

### According to our students, being part of a Catholic school means:

- learning how to treat others with kindness and compassion
- praying together and growing in faith
- feeling supported and safe—academically, socially, and spiritually
- building a strong relationship with God
- being encouraged to live like Jesus in and out of the classroom
- representing their school and faith with pride
- being part of a community that truly cares for one another

**Catholic Schools Week (CSW)** is a time when Catholic schools across the country celebrate the unique value of a faith-filled education—one that nurtures the whole child through strong academics, spiritual growth, and a caring community. As one of our students shared so simply and beautifully, *“Catholic Schools Week is when we strive to follow God and come together as a school community.”*

For families considering a Catholic education, there is no better way to understand its impact than by listening to the students who live it every day. At **St. Elizabeth of the Trinity School**, our 8th graders describe their experience not just as attending a school, but as belonging to a second family. One student shared, *“Every day I learn something about how to be a good Catholic.”*

When asked specifically what St. Elizabeth of the Trinity School means to them, our 8<sup>th</sup> graders shared:

“

- *"Since I transferred here, I have made so many new friends, learned so much, and changed as a person."*
- *"The small classes help us get to know everyone. Our class is extremely close."*
- *"My teachers encourage me to do my best and are always willing to help when I need it."*
- *"St. Elizabeth has shaped me into a better person and learner."*
- *"My teachers push me to be the best version of myself—not just in schoolwork, but in kindness and gratitude."*

”

These reflections speak to what many families hope for in a school: strong academics, caring teachers, meaningful faith formation, and a close-knit community where children are known, valued, and guided.

We warmly invite you to our **Open House this Sunday from 10:00–12:00** to experience St. Elizabeth of the Trinity School for yourself. If this time does not work for your family, please reach out—we would be happy to schedule a personal tour and answer your questions.

ARCHDIOCESE OF CHICAGO

TOGETHER  
WE BRING LIGHT

2026 Annual Catholic Appeal

## Please Make Your Gift to the 2026 Annual Catholic Appeal

Many families in our parish should have received the Annual Catholic Appeal mailing from Cardinal Cupich. On behalf of those served by the min-

istries of the parishes and schools that receive funding from the Appeal, we thank you for your gifts. Please return your response as soon as possible. The Annual Catholic Appeal offers us an opportunity to join with others and affirm that “together we bring light.” In addition to providing for ministries and services throughout the archdiocese, the Appeal also funds services that are of great help here in our parish. As we consider God’s many gifts to us, we should also reflect our gratitude by using and sharing those gifts. Your financial support for the work of our parish, our archdiocese, and the Church throughout the world is one way to express that gratitude. Please make a donation as you are able to the 2026 Annual Catholic Appeal.

## Something Exciting is Coming to St. Elizabeth of the Trinity!

### *This Is Our Faith*

This series will explore what the Catholic Church teaches and believes by studying the *Catechism of the Catholic Church*.

- What do we believe?
- Why do we believe what we do?
- Where do these beliefs come from?
- Why are all of them important?

We will explore Church tradition and scripture, in addition to the Catechism. This series is ideal for life-long Catholics who want to learn more about their faith as well as seekers and newly received people into the Church.

Sessions will be offered twice each week starting on

**Tuesday, February 24 from 1:30 p.m. to 3:00 p.m. through May 19**

or

**Wednesday, February 25 from 6:30 p.m. – 8:00 p.m. through May 20.**

Sessions will be held in the lower level of the rectory.

Reading from the book *A Journey Through the Catechism* will be required prior to each session. There will be a \$20 fee to purchase the book. Bibles and Catechisms will also be available to those who would like to purchase them.

In this Sunday's Gospel, we find that Jesus "... went around all of Galilee, teaching in their synagogues, proclaiming the gospel of the kingdom, and curing every disease and illness among the people."

**This month, through your gifts, the St. Vincent de Paul Society was able to proclaim the good news of the kingdom to the poor, by assisting families and individuals in need with food and with utility and rent assistance.**
