

Sharing Families-Rwanda

If you're not familiar with the inspiring 10+ year story of our generous parish support for Station School in Rwanda – or would like a review – please see the insert from the October 8, 2023 Sunday Bulletin. Below is a link to the picture-filled report on our parish website.

What has been the impact of your generous support?

- When we started our journey with Station School, its national rank was 28%.
- First, we introduced the sponsorship program that included hygiene supplies, and that nudged the ranking a bit higher.
- Then, we started the lunch program, and the ranking moved up to 33%.
- Today – 10 years later – the ranking has jumped to an impressive 92%.

When visiting with the teachers in November 2025, they informed us about the struggles the students experience when taking the national exam. The reason that the students struggle is because they do not regularly take tests, so it is a bit daunting when it's time for the all-important national test. The teachers asked if we could provide a printer which could be used to provide the students with practice tests throughout the school year. This would boost the confidence of the students when it comes time to take the national exam.

Thanks to your generosity, we have provided a printer for the school. The next milestone? To reach a 95% ranking by the end of the year.

The teacher's message to the Sharing Families:

“May God bless you for the serious work you are doing for our students. Words cannot explain how grateful we are. Many of our students had no hope for tomorrow, and now because of you, they have hope.”

I am heading to the Station School this month. I am confident that there will be more good news to come. May God Bless you for your kindness and ongoing support of this impactful project.

Our motto is simple: ***Helping one child will not change the world however, for that one child the world will be forever changed.***
