

Parishioners' Corner

Keeping Faith and Family at the Center

Our names are Kevin and Victoria Hastings and we have been a part of St. Elizabeth of the Trinity parish since its inception. For us, this parish has felt like home from the beginning and, despite having two other parishes located much closer to where we live, we feel called by God to be here. Witnessing its growth over the years has been encouraging and cultivating personal relationships within the community has been instrumental in our own faith journey, both as husband and wife, and as parents.

Speaking of being parents, we have two young boys who have

completely stolen our hearts. Passing down our beautiful Catholic faith to them is of utmost importance to us. Some of the ways in which we are doing this include attending mass every Sunday; reading the Gospel daily and sharing prayer intentions; renewing our baptismal vows each year; baking Jesus a birthday cake on Christmas Day; praying the rosary; dressing up like saints; morning and night prayer followed by blessings given by Kevin; creating a prayer table to display the liturgical season; and giving our time and talents to the parish.

One ministry that both Kevin and I feel called to assist in forming is the Respect Life Committee. As Catholics and parents, we value the sanctity of life. And as healthcare professionals, we have witnessed both the valuing of a life and the devaluing of it. Through this ministry we are hopeful to provide thought-provoking conversations, meaningful resources, and exciting opportunities to engage our parish in standing up for life at all stages. Come October, which is Respect Life Month, we will be launching this ministry; please keep an eye out for details in the bulletin! If you, or someone you know, is interested in getting involved with this ministry, please contact me, Victoria Hastings, at v.annahastings@gmail.com.

We will keep each of you in our prayers and we ask that you do the same for us. We are excited to see the continued growth of this parish and community. If you see us around, please be sure to stop and say hello!

St. Elizabeth of the Trinity, please pray for us!
