How often must I forgive?

Dear Sisters and Brothers,

God is good, all the time...All the time, God is good!

This 24th Sunday in Ordinary Time invites us to reflect on one of the most difficult aspects of Christian life: forgiveness. Our culture often equates strength with toughness and the capacity for revenge, while labeling forgiveness as weakness. For some people, forgiveness seems out of reach, even impossible. When someone hurts us, our natural reaction may be: "I will never forget what you did; I can't forgive you; I don't want to be hurt again, or I just want peace." Yet Jesus invites us to choose a different path—the path of mercy and forgiveness.

Why do we need forgiveness? Forgiveness is essential in our personal lives, families, and communities. Without it, anger and resentment can trap us in the past and distort our relationships. Sirach reminds us: "Wrath and anger are hateful things, yet the sinner hugs them tight." And the prophet asks, "Could anyone nourish anger against another and expect healing from the Lord?" Forgiveness consists in letting go of resentment and refusing to let anger control our hearts. It does not mean forgetting or accepting abuse. It means choosing healing over resentment, and peace over revenge.

In Matthew 18:21–35, Peter asks Jesus, "How often must I forgive? As many as seven times?" Jesus answers, "Not seven times but seventy-seven times." Jesus is not asking us to count; He is teaching us that forgiveness should have no limits. Through the parable of the unforgiving servant, Jesus reminds us of a simple truth: we are people who have received God's forgiveness, and therefore we are called to extend that same forgiveness to others.

Forgiveness is a process that may take time, prayer, and courage. Yet every step toward forgiveness brings greater freedom and peace. As St. Paul reminds us, "None of us lives for oneself." Our lives are connected and our forgiving can create space for healing of wounded relationships, building bridges through reconciliation, and bringing peace to our sisters and brothers.

This week, let us ask ourselves: Is there someone I need to forgive, or someone from whom I need to ask forgiveness? How many times must I ask for or offer forgiveness? All the time! We should never grow tired of asking for or offering forgiveness to our brothers and sisters, because God never tires of forgiving us. May He give us the grace to forgive others as we have been forgiven in Christ.

Parish News: We are happy to announce that Children's Liturgy of the Word returns this weekend! We invite our children to join us for a special opportunity to hear and reflect on God's Word in a way that is meaningful and engaging for them. Also, mark your calendars for our Family Mass on Sunday, September 27 at 9:00 a.m.

Next Saturday is our 6th Annual Parish Social! We will begin with Mass at 4:00 p.m., followed by an evening of food, drinks, music, and fellowship. Please join us and invite your family and friends. Your presence matters because you belong here!

I invite you to consider participating in the Rescue Project program, an opportunity to deepen our faith, encounter Jesus, and grow together as a community. Come with an open heart, invite a friend, and discover the joy of the Gospel. It starts tomorrow night at 6:30 p.m. in the auditorium.

St Elizabeth of the Trinity, Pray for Us!

See you in church!

In Christ,
Fr Deo

Peter approached Jesus and asked him, "Lord, if my brother sins against me, how often must I forgive? As many as seven times?" Jesus answered, "I say to you, not seven times but seventy-seven times." - Mt 18:21-22

The challenge in today's Gospel is to forget how others have behaved toward us and look to God's way of loving and forgiving. Our focus must be on God.

Is there a neighbor or friend of yours who is in temporary need because of a loss of a job or an illness? Please leave a message for the St. Vincent de Paul Society (through the parish office)...we want to help!

All Men of the Parish

That Man Is You will return for its third year on **Tuesday, September 15 at 7:30 in the school auditorium.** Each session will end at 9:00 p.m.

We invite you to join us for hospitality, a powerful video presentation, and meaningful discussion in a safe space. Invite a friend to join you.

Here's what some of our past participants have said:

"...testimonies have been satisfying!"

"Very happy with TMIY"

"...I feel like the discussions were helpful..."

"It's good being with like-minded men with similar needs and goals."

THAT MAN IS YOU!

is an interactive men's program focused on the development of male leadership in the modern world. It combines the best research from science with the teachings of the Catholic faith and the wisdom of the saints to develop the vision of authentic men capable of transforming themselves, their families and greater society.

The Revelation of the Father calls men to take the next step in their leadership. It moves beyond good intentions and into legacy. This journey prepares a man to lay foundations that will outlast him. Foundations strong enough to carry his children, his grandchildren, and a culture hungry for truth. It forms not spectators, but builders - architects of an authentically Christian civilization that become the very foundation of a new springtime of Christianity.

THIS POWERFUL NEW YEAR OF TMIY WILL EQUIP MEN TO:

- Discover the Catholic vision of love and marriage: powerful enough to break through modern emptiness and lead men to true greatness.
- How modern neuroscience affirms what the Church has always taught: a man is made for heroic love, faithful commitment, and lasting fatherhood.
- Reclaim the strength, honor, and eternal significance of a father's heart and its role in forming souls for eternity.
- Face the battles confronting fathers and gain the clarity, tools, and conviction needed to lead your family.
- Encounter St. Joseph: the model of authentic masculinity and guide for becoming a man after God's own heart.
- Step into the renewal God is calling forth in men today: a renewal that will restore fathers, rebuild marriages, strengthen families, and change the world.

THAT MAN IS YOU!

How can YOU help advance our Parish Vision?

Quietly and diligently the members of the St. Elizabeth of the Trinity Parish Pastoral Council (PPC) regularly meet to prayerfully consider practical matters of parish life. PPC members offer advice and perspectives to the Pastor as well as providing feedback on parish programs. The PPC also looks to the future and suggests ways the parish can promote growth in engagement, membership, and active discipleship.

Like any advisory body, it is vitally important that the PPC have a diverse group of parishioners in terms of age, background and ethnicity in order to wholly represent the entire parish community. In addition, it is appropriate that PPC serve limited terms.

Currently, we have a couple of openings on the PPC and are inviting parishioners to think and pray if they could use their talents to make our parish stronger by becoming a PPC member. Candidates should be parishioners who love their faith and parish community, attend Mass faithfully, and have a genuine interest in the future of our parish. They should also be able to attend one meeting per month, typically on Monday evenings. In addition to monthly meetings, there is an expectation that members meet for 1-2 hours a month for PPC subcommittee work. PPC members serve in staggered terms from 1-3 years.

If you would like additional information, please contact Father Deo.

GENERATION TO GENERATION: ANSWER THE CALL CAMPAIGN AT St. Elizabeth of the Trinity

We are now entering the beginning stage of the Generation to Generation: Answer the Call campaign. Our parish's participation in the campaign, along with all parishes in the Archdiocese of Chicago, will meet needs of our parish and support Catholic ministries in Cook and Lake counties.

Our goal at our parish is to raise \$810,000 in pledges payable over five (5) years from our parish families. Fifty percent of the funds from these pledges will go toward the parish needs as listed in our case study. The remaining fifty percent will go towards spiritually renewing our church, supporting our priests, and assisting vulnerable communities.

When you receive your invitation to participate in this historic effort, please pray and discern a multi-year sacrificial pledge that is right for your family. Today, join us in praying for the success of the Generation to Generation campaign.

SPARE CHANGE / BABY BOTTLE COLLECTION FOR THE WOMEN'S CENTERS

Beginning on the weekend of **October 3 & 4** (Respect Life Sunday), our parish will be participating in **The Baby Bottle Project** benefiting **The Women's Centers of Greater Chicagoland**. This non-profit organization directly assists mothers and families experiencing crisis pregnancies by offering emotional, financial, material, and spiritual support through counseling, clothing & monetary provisions, prayer, and other aid. Each year the three locations together have over 5,000 appointments with expecting mothers. By God's Grace, The Women's Centers have saved almost 41,000 babies—and their mothers—from abortion since opening in 1984.

Please take a Baby Bottle home with you from the church on October 4/5, fill it with your spare change, and **return it the weekend of Oct. 24/25**.

This is a simple, but crucial fundraising effort for The Women's Centers. Please note the Baby Bottles cost almost \$1.00 per bottle and are recycled afterwards so please return upon completion of the project. *Thank you for helping defend life* and remember to keep all pro-life undertakings in your prayers.

Live-streaming Mass

As a result of the COVID-19 pandemic in March of 2020, many parishes, including ours, began offering live-streaming Masses. Below is how it happened here...

Though the church was closed to the public during the early COVID-19 days, Masses continued to be offered. Then pastor, Father Mike Grisolano, thought it would be a good idea to provide parishioners the opportunity to view Mass live from their homes – or to view the stream later when convenient. He furnished his phone and computer and livestreamed his Masses in the empty church. Little did we know when

the first livestreams were launched that there were technical challenges that awaited and that would need to be overcome.

Since the church did not have an internet connection, a wireless connection had been used from the network located in the school building. However, this distant signal was weak, unstable and thus could not provide the reliable connection required to sustain a video.

Another issue was the camera. The built-in laptop camera was initially used. Though excellent for a Zoom call, it is limited in quality and functionality. The laptop's built-in microphone delivered a low-quality audio experience because those speaking were often some distance away from the laptop.

The stage was now set. Several parishioners were recruited and eagerly stepped up, bringing with them their knowledge and expertise and addressed the various challenges.

To supply the church internet connectivity, a network cable was routed into the church from the school's network equipment room through underground tunnels, and finally guided to a closet in the church's sanctuary. The result was solid, high-speed network connectivity for the church. (This was later extended to the rectory and gym buildings.)

An audio cable was direct-connected from the church's master audio system to the streaming laptop. In addition, Father Mike was able to get his personal laptop returned as a dedicated computer was purchased. What's more, a dedicated camera and tripod were donated. And then a permanent location for the laptop and camera was selected. The outcome, after several weeks, was a huge improvement in quality and stability.

Over the next several months, everything would be fine-tuned. A professional sound mixing board was implemented to significantly increase the quality of the audio feed. Lastly, the various cables (power/network/audio) were all re-routed to protect them from foot traffic.

The church re-opened at the end of June 2020, initially with two weekend Masses and many restrictions, including a mandatory sign-up, masking, and six feet of "social distancing." Attendance was limited to 110 people at each of the two Masses. Though the church was "opened up," the livestreaming continued, and still does to this day.

While Jerry Nelson and I have tended to this ministry, we would welcome anyone who would be interested in assisting to ensure all the weekends are streamed. No experience needed! Some of the past streams have had just a handful of viewers, while others have been into the 100's!

Thanks to those who assisted in making our streaming possible: Tom Handrigan, Audrey Salerno, Mark Wozniczka, Steve Stemper, Tim Stemper, Gordon Hawkes, Delia O'Connor, and Bob and Joe at Academic Technical Services.

Current and past livestreams are available through the parish's You Tube channel:

<https://www.youtube.com/@st.elizabethofthetrinitypa2652/featured> or you can search www.youtube.com by entering "St. Elizabeth of the Trinity Parish"

If you absolutely, positively cannot attend Mass in person, our livestream IS the next best thing to being there!
